

### **CAPE TOWN & AROUND ADVENTURE TOUR (6 days, 5 nights)**

Cape Town is arguably the most beautiful city in the world and *definitely* one of the most exciting! The following tour has been made for people who would like to experience Cape Town as an *Adventure Destination* and not merely as a pretty place... Specially put together for those who'd like a whole lot of fun while not straying too far from the Mother City!

#### **Day 1: PICK-UP / CHECK-IN**

We will pick your group up at Cape Town International or any other prior arranged pick-up point in Cape Town. We will then check into our accommodation for the stay and if time permits a trip to Sea Point.

#### **Day 2: KAKIKAZE KANYON**

On this action-overflowing day you'll get to hike, swim and clamber your way along the Steenbrass River gorge, jump off rocky cliffs into deep pools below, **abseil 65m down a waterfall!** Jumps range from 3m all the way up to 10m *and higher* (the highest is some 25m!) and are completely optional. Non-jumpers can swim in beautiful waterfalls or take in the unspoilt fynbos scenery!

#### **Day 3: WHITE SHARK CAGE DIVING/ VIEWING**

You've seen it on TV and while in the area you'd be crazy to miss out on this thrilling experience! South Africa has been named as one of the top ten shark viewing destinations in the world by National Geographic.

#### **Day 4: QUAD BIKING & WEST COAST**

We will head up along the west coast towards Lamberts Bay. You will enjoy a quad biking trip in the dunes and then a boat trip too see the rare Heaviside's Dolphin & a visit to the famous Bird Island.

#### **Day 5: TABLE MOUNTAIN & BEACHES**

No Cape Town trip is complete without a trip to the top of Table Mountain. The afternoon will be spent on one of Cape Town's many stunning beaches

#### **Day 6: TANDEM SKYDIVING AND STELLENBOSCH (WINE ROUTE)**

Jumping out of a perfectly good aeroplane at high altitude doesn't *seem* to make any sense until you've strapped on a parachute and tried it yourself! *OPTIONAL ACTIVITY!*

Safely back on Mother Earth again we head for the old-world town of Stellenbosch and some of the more famous wine farms in the area. With the skydiving and an incredible 6 days of fun behind you, you'll have the chance to kick back, relax and calm any remaining nerves with some late afternoon wine tasting...
